

NPG is proud to offer

Golf Events WSP

(WEEKLY SPONSORS PROGRAM)

Get the most value possible from your advertising and marketing dollars. Take full advantage when a golf tour (PGA, Champions, Web.com) visits your community. Support your local event and also build your brand with the local community and consumers.

YOUR LOGO & BRANDING

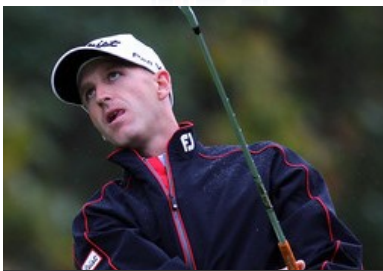

Put your logo on a professional golfer for the week! Shirts, hats, golf bags, are all available to help get your name out front. Let the best and brightest players represent you today!

PLAYER SELECTION

NPG maintains access to several top players on virtually all professional golf tours. By matching your marketing and branding needs we will help select the best player to partner with at a particular event.

PLAYER ACCESS

During tournament week gain access to a professional golfer who will be competing in the field. We will work with the player's schedule and yours to find a time to create value for you. Some ideas include breakfast meetings, pro-am events, visits to your office (or retail store/ restaurant location), meet with your customers, sales reps, VIPs after the round to talk, sign autographs, and much more.
